

Users

Overview

Use this page to add users and user permissions to your HomeSeer system.

Adding Users

Enter a User Name and a Password. Then click the ADD button.

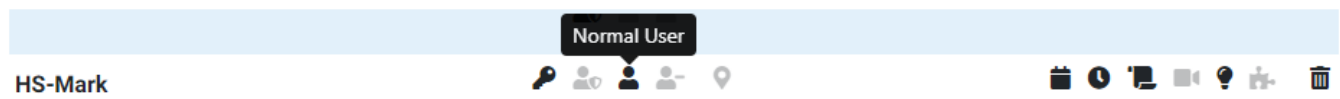

User Name	Password	ADD
HS-Mark	

Editing User Permissions

After a user has been added, select the appropriate user type. Then enable or disable access to feature by clicking the icons on the right.

Normal User

HS-Mark

The interface shows a user named 'HS-Mark' with a 'Normal User' type. Below the name are several icons: a key, a shield, a person, a person with a minus sign, and a location pin. To the right of these icons is a row of feature access icons: a calendar, a clock, a document, a camera, a lightbulb, a puzzle piece, and a trash can.

Access options include:

- Event Access
- Counters/Timers Access
- Log Access
- Camera Access
- Device Control
- Plugin Management

Save Your Work!

Be sure to click the **SAVE** button at the bottom of the page after you're finished editing.
