

Add a Dashboard

This article will show you how to add a dashboard to HomeSeer Mobile.

On Android:

While in the Dashboard section of the app, tap the three-dot menu in the top right corner of the screen. You will see a menu appear, and the first option will be **New Dashboard**. You will then be prompted to submit a name for the new dashboard. Once you click **Submit**, you will be brought to the new dashboard.

On iOS:

While in the Dashboard section of the app, tap the three-dot menu in the top right corner of the screen. You will see a menu appear, and the second option will be **New Dashboard**. You will then be prompted to name your new dashboard and save it.
